## Sites (20)

### Active Maths IWB resources

Hundreds of lesson-starters, questions, problem-solving activities, investigations, games, simulations and interactive resources for use on an interactive whiteboard.

### Board with Teaching

A site for primary teachers about how to use Electronic Whiteboards in the classroom.

### Infant Literacy and Numeracy IWB Games

These games are generally targeted at infant school teachers and parents of infant age children.

### Interactive Education Zone

Interactive Whiteboard resources that support English and Maths teaching.

### Interactive Primary Resources

Hundreds of activities K-6 for use on interactive whiteboard.

### Interactive Whiteboards

Introduction to using IWBs in the classroom that includes benefits, tips, case studies and teaching strategies.

### Number Cruncher

Number Cruncher is a numeracy application available at no charge for anyone who uses a SMART Board interactive whiteboard or Sympodium interactive pen display.

### Primary Resources For IWBs

Here are some suggestions for sites which work well on interactive whiteboards in the primary classroom.

### Rainforest Maths

Collection of interactives for K-6 teachers.

### Schoolzone: Interactive Whiteboards

Free resources for IWBs.

### Shambles: Content for Whiteboards

Links to Whiteboard resources.

### Smart Board Resources

Contains a variety of Primary notebook templates and files for you to download.

### Smart Classroom Resources

The Classroom Resources area of the SMART Education website contains lots of downloadable resource materials, including 'Hands On Support' resources that are freely available to all SMART Education re

### SMART Technologies

The latest SMART board software for use with Windows.

### Speller

Speller is a language arts/literacy application available at no charge for anyone who uses a SMART Board interactive whiteboard.

### Thames Interactive Whiteboard Resources

These are teaching and learning resources for teachers to share and use in the classroom as teaching tools, mainly for use on interactive whiteboards.

### Tony Poulter IWB Links

On this page you will find numerous links to websites offering information and advice about interactive whiteboards, as well as links to a whole host of resources.

### UK National Whiteboard Network

Large range of whiteboard resources for K-6 classes.

---

**UK National Whiteboard Network**

Whiteboard resources for use across the curriculum.

---

**Whiteboard Teaching Resources**

Large collection of whiteboard resource links.

---

**Lessons (2)****Digital Cameras in the Classroom**

Compilation of creative ideas for using digital cameras in the classroom.

---

**SMART Lesson Plans**

Download these interactive lesson activities to help you get started with your SMART Board or Sympodium product.

---

**Software (1)****Interactive Whiteboard Resources**

A series of over 600 Australian Interactive Whiteboard activities.

---

**Texts (0)****Videos (0)****Teacher Reference (7)****ACTIVstudio2 Professional Tutorials**

Tutorials for ACTIVstudio 2 software.

---

**Digital Cameras in the Classroom**

Compilation of creative ideas for using digital cameras in the classroom.

---

**National Whiteboard Network**

This site is being developed to support all interactive whiteboard users with a wide range of resources, guidance and the opportunity to share resources.

---

**Promethean ACTIVboard Resources**

Promethean resources organised by subject.

---

**Promethean Resources**

Here you will find downloadable Flipcharts and Web Resources that have been submitted by ACTIVboard Users.

---

**Promethean Resources**

Tutorials, resources and flipcharts.

---

**The Promethean Lighthouse**

Links to tutorials, flipcharts and model schools.
