Presenter Bios: Vanessa Miell and Lorna Wilson

Vanessa Miell and Lorna Wilson are qualified Early Childhood Teachers with additional qualifications and extensive experience in Special Education and Autism Spectrum Disorders. Vanessa and Lorna have worked in the special education field for many years in a range of educational environments. They have a particular interest in Early Intervention programs for children and families with special needs and both currently work for Education Queensland at Waterford State School's Early Childhood Development Program. Their common focus is facilitating inclusive education for young students with special needs in mainstream Prep classrooms.
