**Visual supports** teach children to learn by seeing, rather than hearing. Visuals help children solve problems and guide them when they don't know what to do.

Attendees learn to design supports:

- Schedules
- First – then
- “What to do” schedules
- Work systems
- Choice boards
- Power cards
- Physical boundaries

Topics include:

- Coping with change
- Transitions
- Social skills
- Playing
- Task management (starting, staying and finishing a task)
- Sensory issues

**Monday 30 August, 2010**

9.30am – 2.00 pm

(Please arrive 10 minutes early)

Sherwood Neighbourhood Centre  
38 Thallon Street, Sherwood

Light Lunch included

This workshop is for parents and professionals supporting children under 7 years with:

- PDD – Autistic Disorder, Asperger's Syndrome & PDD-NOS
- Language Disorders
